The Star Wars, Marvel Comic Book and Disney cards contain additional copyright wording and, along with Lighthouse cards (which have indicia shadow backgrounds, lighthouse profiles and locator state maps), some additional explanatory text. Each card contains the USPS copyright notice and the year date 2007. Picture postal card indicia (except Marvel Comic Book) have simulated edge die-cutting. All Picture Postal Card issues have each card with its indicia design (minus value) reproduced on the reverse side, enlarged or cropped to fill the entire space (Star Wars artwork are slightly modified and have darkened borders and superimposed names, Lighthouse and Marvel Comic picture sides have additional text). The front of each booklet cover opens to reveal the picture side of the cards. Booklets are wrapped in non-archival shrink-wrap plastic which collectors should consider discarding.
